CHONOS ROUTE AND SAN RAFAEL GLACIER

To sail to the Laguna San Rafael and see its impressive glacier, and to be so close to that old mountains of ice like no other expedition have done. This is a unique and unforgettable experience, not only because its age, its majestic and impressive formations but also because the ice colors; a real World Icon in the Northern Ice Field. The M/V Skorpios II will take you to this

natural paradise sailing through the southern channels and the Archipelagos of the Chonos, Llanquihue and Chiloe; visiting the town of Quemchi, birthplace of the National Literature Prize, Francisco Coloane. Puerto Aguirre. Islote Barrientos, the Quitralco Fjord Hot Springs, will also be seeing along the navigation as the Conejos Islet, habitat for the Magellanic penguins, a variety of seabirds, and the village of Dalcahue, original place or the local native people named Huilliches.

FRUTILLAR, PUERTO VARAS, LLANQUIHUE LAKE

To combine your Skorpios Cruise with Lake Llanquihue will be a veritable austral experience, because you will be able to enjoy one of the most beautiful tourist areas in Chile - a land colonized by German colonists, for whom the lake was and still is their main point of contact and transport. The colours of their houses and the green

countryside contrast with the blue skies and eternal snows of Mounts Calbuco and Osorno. Puerto Varas and Frutillar, the most important cities on the shores of Lake Llanquihue, offer a series of attractions, such as a tour to the Saltos de Petrohué, including a visit to Lakes Llanquihue and Todos los Santos.
